

**HAFI Flush Line Slide Door Handle Design 244XXL - 461 PZ
designed by Ben van Berkel / UNStudio**

HAFI Flush Line Design 244XXL designed by Ben van Berkel / UNStudio slide door handle PZ
Matt brushed stainless steel
Optionally with (partially) polished handle and/or (partially) polished short backplate

10mm spindle

Stainless steel slide door handle set with fixed-rotatably mounted lift-slide door handle with 180° latching or alternatively 90° latching, flush cover plate. Concealed, continuous screw connection of the base plate with inserted M5 thread. Quick mounting due to "push-push" function. Additional screw connection of the door handle by means of M6 grub screw on square pin for optimum fixing of the door handle.

Version sliding door handle HAFI Design 244XXL
on square short backplate 461, PZ-perforated
Hole spacing 69mm
